Launch Your Coaching Business to the Next Level

All-in-One Coaching Platform

Become a Nutrition Factors' Provider/Coach Partner and gain access to a world-class, turnkey, online-full service nutrition and wellness platform. Our program functions as a back-office support system for one-on-one wellness coaching. A friendly interface offers easy-to-use interactive fitness/weight loss tools and nutrition education, with expert advice to individuals, health professionals, coaches, and corporations.

Grow Your Business-Earn Commissions

In addition to using the platform for your business, you can earn extra income by participating in our Provider/Coach Partner Affiliate Program. Earn high commissions on Nutrition Factors' participant memberships, product sales, or from the referral of other Coaches and their clients within your personal network, when they purchase a coaching portal, membership and products. Network with others and see your business income grow.

Flexible and Adaptable

What makes the Nutrition Factors' program unique is its flexibility and full-service tool offerings to support Health Professionals, like you. The program is uniquely adaptable, allowing you to effortlessly pick and choose the right tools for your business, as well as create personalized meal and workout plans for your clients. The program easily integrates with your current program or acts as a stand-alone, full service program for those who just want to focus on the Nutrition Factors Platform. You decide what you offer your clients.

Coaching Portal Tools, Features and Services

PERSONALIZED COACHING PORTAL- Once you become a coach you'll receive a personalized portal to connect to clients and start earning commissions. With CONNECT A COACH, your portal allows you connect and chat with patients through a secure telehealth portal, bill clients directly, submit to payers, chart, create plan menus and shopping list, add recipes, use the GRID DIET weight loss program and workout APP. The individual portal keeps the Nutrition Factors tools organized and easily accessible. **You set your own coaching fees and bill the client or payer directly.** Patients can schedule and change appointments right from your home page. Manage health records online securely without transfer of documents. Submit CMS 1500, UB04 and ADA claims to over to over 5,000 payers.

TELEHEALTH-Connect directly to your clients by a secure HIPAA compliant telehealth webportal. Telehealth is a fast-emerging online way to communicate "face to face" with your client via video chat, coaching sessions, classes, educational programs and accountability sessions. However, telehealth must take place through a HIPAA compliant video-chat webportal, of which Nutrition Factors provides. Please note-many online video chat rooms are not HIPAA compliant, such as Skype, FaceTime etc.

WORKOUT APP and FOOD TRACKER: Gain access to 2,000 plus exercises. With this indispensable Nutrition Factors feature, you can connect directly to your client and design their individualized workout plan that is tailored to meet their needs and lifestyle. In addition, clients can create their own workouts and learn how to do exercises correctly from a virtual workout buddy. This tool also includes a food tracker, which makes sticking to the Grid Lifestyle plan even easier.

GRID DIET: Easy-to use, simple and balanced-lifestyle meal planner and weight loss program. Each grid is structured in a grid pattern and is easily adaptable to individual food preferences. Even better, the majority of Grid recipes are compatible with other major diet plans. Got dietary restrictions? No problem. The grid recipe database is loaded with vegetarian, gluten free, dairy free and other food choices to meet the food demands of individuals with allergies, food preferences, and food intolerances. Developed by a Registered Dietitian exclusively for Nutrition Factors. Print a PDF of your menu plan.

RECIPE DATABASE: Gain access to thousands of recipes that easily integrate into a personalized Grid Diet menu planner. Upload, organize, save and share your own recipes to your own personal recipe grid and send to a menu plan and shopping list.

MEAL PLANS: Easily create menu plans for your clients or use our prefilled- done for you menu plans designed by a Dietitian or Coach. We have thoughtfully selected foods and recipes for you, so all your clients have to do is simply import the weekly menu into their grid and follow it.

NUTRITION FACTORS LIBRARY: Your clients can explore over 1,000 pages of nutrition about the health benefits of Fruits and Vegetables as well as get to know your vitamins and minerals. Our extensive library is packed with fun food facts!

NEWSLETTER: Stay connected. Feast on the most current exercise and nutritional information. We are constantly expanding our tasty recipes, blogs, and exercise routines to feed your appetite for a better life.

HEALTH FAIRS and SEMINARS: As a coach you can conduct onsite, customized Health Fairs, using the tools from your coaching portal. You set your own fees.
